**In February 2022, Rockwell acquired the site at 362 – 364 Wandsworth Bridge Road, known as Hurlingham Retail Park.**

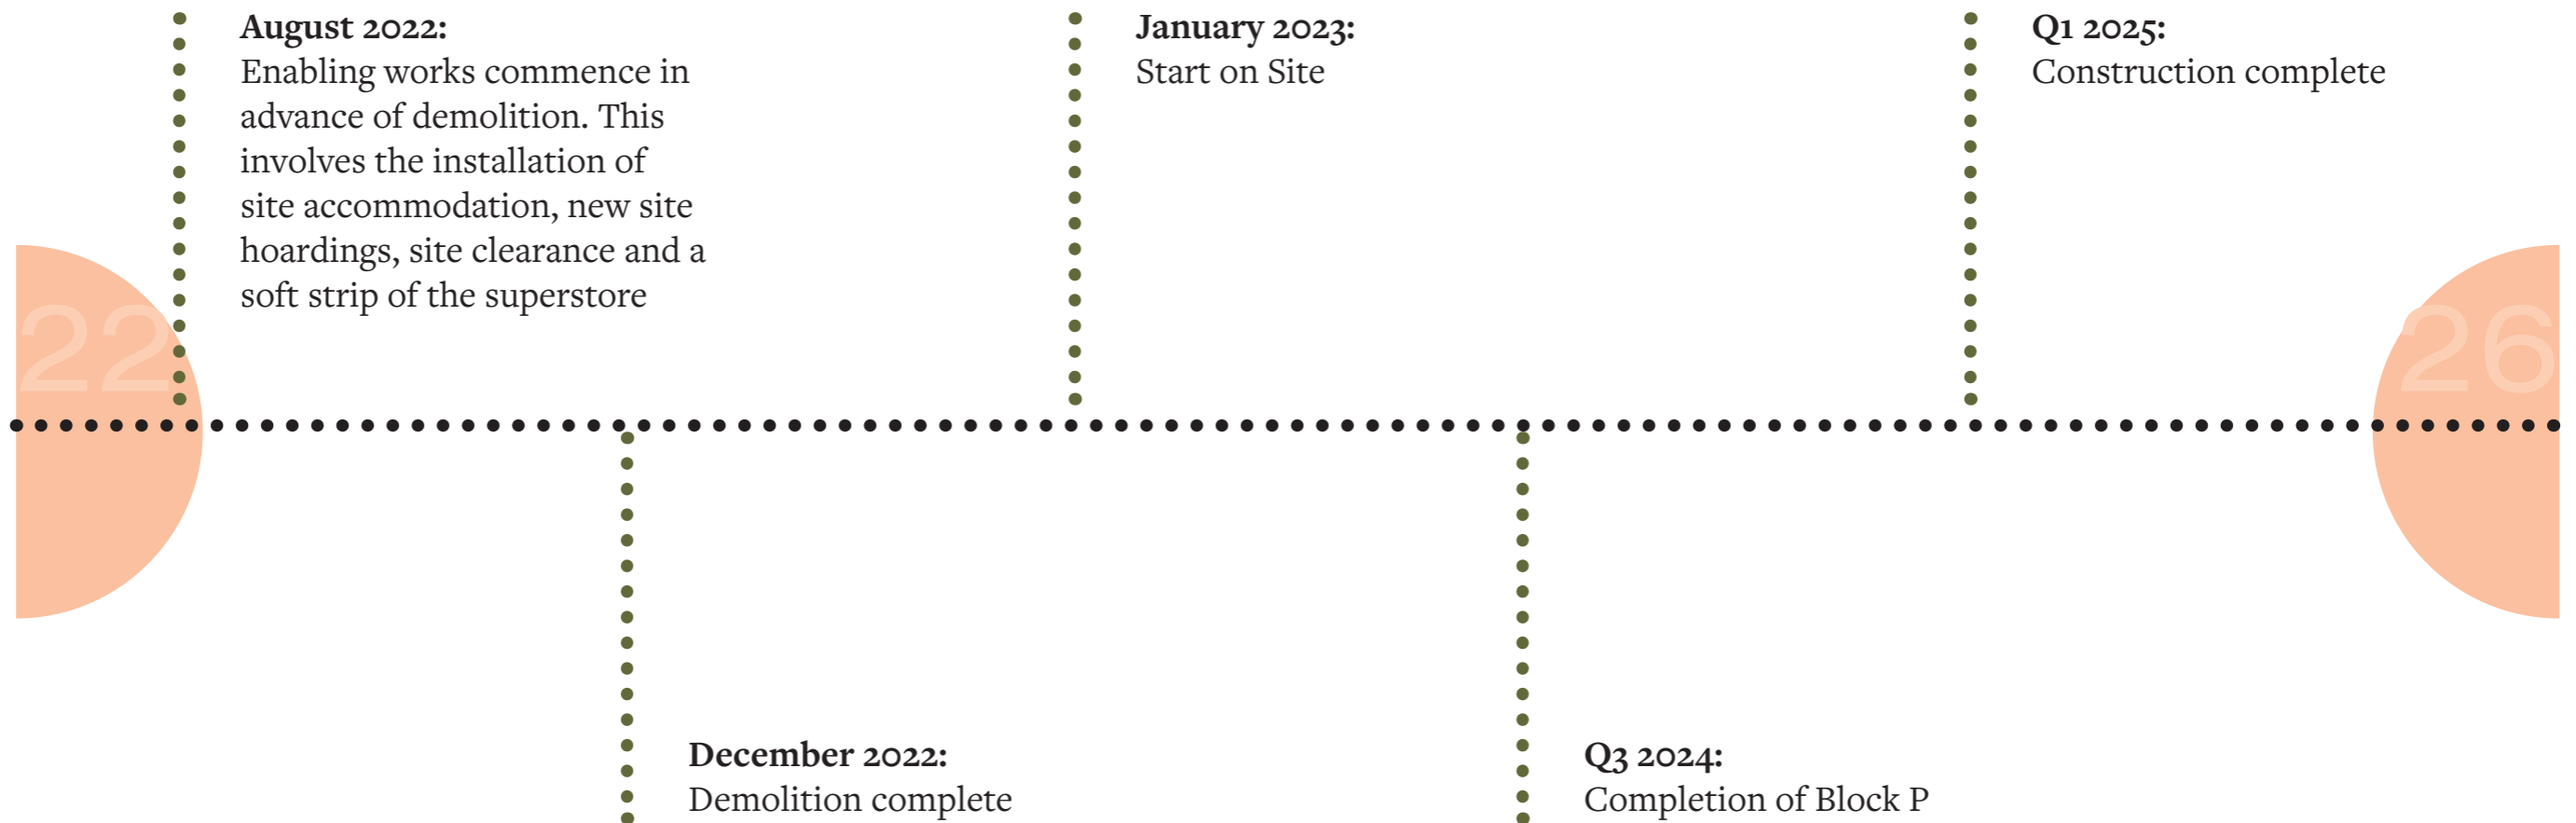

Rockwell is an experienced developer with a proven track record, delivering mixed-use schemes across Greater London.

As the new owners of Hurlingham Retail Park, Rockwell is committed to implementing the existing permission to deliver 269 new homes and new commercial space that will deliver a range of food, retail and leisure uses and will provide the following planning and public benefits:

- 269 new homes
- New retail and commercial space for businesses
- Employment and training opportunities during and after construction
- A highly sustainable scheme that will make the most of a previously developed brownfield site
- Provision for cycling and sustainable transport

As you will be aware, work has now started on site. Below you will find the key target milestones as the scheme comes into fruition. If you have any queries, please ask a member of the team.
