

Caddick Group and James Glancy Design are delighted to invite you to a virtual consultation showcasing our redevelopment proposals for the site at 16 – 28 Penarth Street.

Caddick Group and James Glancy Design are committed to working in collaboration with the local community and existing businesses to develop the current proposals. As part of this commitment, we want the community to help us shape our plans and would like to invite you to a series of consultation events where we will be showcasing our proposals.

OUR VISION

- To re-provide and upgrade all of the existing industrial employment space
- To design new modern, purpose-built space for James Glancy Design to meet the businesses future needs
- To make the most efficient use of a brownfield site by introducing affordable housing and residential co-living to the upper storeys
- To re-animate quiet, socially inactive streets creating new high quality street frontages, providing new entrances, occupants and activity
- Sharing green open podium amenity spaces, lounges and meeting spaces with both residents and workers from the industrial spaces on the site
- To provide a new publicly accessible café space.

ABOUT US

For 30 years, James Glancy Design has been at the forefront of the immersive design world, partnered with Caddick Group they will bring forward proposals for a ground-breaking model for living and working in Southwark, suitable for current and future needs and supporting the requirements of local people and businesses.
